Keyes Peak Winter Party

[Florence, WI] –

Go outside and get active January 22nd! The Florence County Opioid Settlement Task Force (OST) is sponsoring a Keyes Peak Winter Party. From 12- 3pm, take advantage of free tubing, skiing, or snowboarding. The first 75 Florence County kids and teens (3-19 years of age) will receive a \$10 voucher to the concession stand.

Cold winter months make it hard for us to get outside and get the fresh air and exercise our bodies and mind's need. This is a perfect opportunity to get active and healthy with our friends, family, and community. Providing physical activities for youth is an evidence-based strategy noted in "What Works for Health" from the University of Wisconsin Population Health Institute to increase social connectedness.

For more information, go to the Health Department, Sheriff's Office, Human Services or UW Extension Facebook or webpage. Need health insurance? Visit access.wi.gov to see if you qualify for benefits.
