Community Flu Clinics Offered in Florence County

[Florence, WI] – Health officials want to remind everyone that getting an annual flu shot remains one of the best ways to protect yourself and your family –from infants to grandparents - against getting the flu and potential complications. According to the Centers for Disease Control and Prevention, most everyone aged six months and older should be vaccinated annually.

Influenza can range from mild to severe, and in some cases can cause life-threatening complications. Symptoms can come on quickly and include fever, headache, dry cough, sore throat, nasal congestion, body aches and tiredness. If someone does get the flu after getting vaccinated, it is much more likely to be a milder case.

The Florence County Health Department is holding flu clinics throughout the community to make it easy to get your flu shot. The Department will be bringing the mobile clinic to each community clinic. The Department's mobile clinic is wheelchair assessable. Updated 2024-2025 flu vaccines will be a trivalent and will protect against three flu virus. Appointments are preferred to assure vaccine availability.

Please call Alisha at 715-528-3426 to set up an appointment.

Thursday, October 10th, 11:00 am- 12:30pm, Tipler Town Hall, Parking Lot

Wednesday, October 16th, 11:00am to 12:30pm, Fence, Across from Town Hall

Wednesday, October 23rd, 10:30am to 12:30pm, NWTC/Woodland in Aurora, Parking Lot

Wednesday, October 30th, 10:30am to 1:30pm, Florence Town Hall, Parking Lot

Thursday, October 31st, 10:00am to 2:00pm, Florence County Health Department

Health officials also suggest washing your hands often with soap and water or using an alcohol-based hand sanitizer. Remember to cover your cough or sneeze into your upper sleeve and try to avoid touching your face with your hands. Eat nutritious meals, get plenty of rest and do not smoke or vape. Finally, if you think you have the flu, call your physician. Stay home, rest, drink plenty of liquids, and avoid using alcohol and tobacco.

The department can bill Security Health Insurance, Medicare, and Medicaid. The out-of-pocket cost of the trivalent flu shot is \$40. For more information, Florence County Health Department can be reached at 715-528-4837, located in the Courthouse at 501 Lake Avenue or visit our website at
